Your scavenger hunt is on...your answers to the following questions lie in the newsletter so you'll have to read carefully every word to get the full benefit of the bonus points...get 100,000 bonus points *at the meeting* for every right answer!

- How many people joined us at the Lakeshore Lanes Night?
- What is the name of the girl who scored 42 at Lakeshore and why was that so impressive? This is two questions in one and worth double points!
- How many people does Suzie Self have on her team?
- What is the profit your non-profit organization receives when doing a fundraiser with Suzie Self?
- How long has Adam been in business?
- What is the focus in Manager's corner?

Smile everyone! We've got a new photographer on board! Our newest sponsor is Lonnie Holifield with Picture This Photography. Lonnie has wonderful sets and as a Mom knows just how to bring out those smiles ;-) Welcome Lonnie, she is a locally owned business and just the kind of business we welcome and want in the program. Lonnie will also be working with InSpirit directly and taking pictures of the meetings, catching those special moments we will want to share in the newsletter and at the awards banquet! So smile your brightest smile, get a group together and start a memory book or scrap book or have Lonnie come in and take some great shots of your business for promotional purposes! It doesn't matter if it is your dog, your dad or your grad! "Picture This Photography" can make your memories last a lifetime!

It's taken some time to find who we felt was the right business for our Heating & Air needs and we've done it! Please welcome SERVCO to the Points for Profit family! SERVCO serves the entire Willamette Valley and specializes in finding the unit that fits the customer's needs, even if it isn't their own! In our interview with SERVCO we were thrilled to find they offer so many brands and services. They don't rely on advertising dollars from major manufacturers that sway what they offer, they simply offer what you, and their customer needs. They even encourage their customers to get three bids! Please welcome SERVCO to the family and call them for your heating and air needs for your home or your business!

Ladies, you will be thrilled at one of our newest businesses...welcome Louise from Lavender & Lace, Etc to the family. Louise has a special boutique in downtown Albany that offers not only wonderful lines of clothing for ladies but also beautiful and unique jewelry and accessories. At Lavender & Lace, Etc. you will ALWAYS get a discount, just for mentioning you are part of Points for Profit and you may think layaways are a thing of the past, but not at Lavender & Lace, Etc...your layaways are welcomed! Stop in and shop or just say hello and welcome Louise and Lavender & Lace Etc. to the family!

The Linn County Veterans Memorial Association has built a beautiful new memorial to the Linn County Veterans. The job was accomplished with generous donation of volunteer's time and local contributions. Spokesperson and Board member, Tanya Kramer has expressed her thanks for all the wonderful assistance. She would also like Points for Profit members to know that the Association is now raising funds to bring the Traveling Vietnam Wall and the Field of Honor to Albany. They are \$4,000 short of their goal to raise \$26,000 to cover the cost of the exhibit. They are raising funds via a raffle for a \$2,500 cruise to your choice of destinations or a travel voucher. They will only sell 200 tickets at \$25 each so your odds of winning are good. The drawing will be held as soon as all tickets are sold.

This is an all volunteer effort, so they will also need food donations to feed volunteers during the week the exhibit is here. They are also in need of a Chaplin for the week, so if anyone has suggestions for someone who could fill that roll, please contact Tanya Kramer at 541-929-0027 **NOTE: For every ticket that is purchased by a P4P member (business or non-profit) give yourself 500,000 bonus points per ticket!**

We had a great time at Lakeshore Lanes! Thanks to all who joined us for a fun evening! If you missed it you missed the fun! Checkout the newsletter for the fun Thursday special and get in there and find out for yourself!
